Planning for the next few years of All Saints' online

4/20/26

Why we're updating

There is no perfect website. Only a next good one.

GOING UP

Future-proofing

Still works in 3–5 years, not just today.

Security

Fewer ways things can break or get attacked.

Findability

The right people finding us when they search.

Accessibility

Works for all ages, devices, and abilities.

GOING DOWN

Time to make an update

A typo, a service time, a photo, a new sign-up.

Technical knowledge required

Anyone on staff or vestry can learn it quickly.

Ongoing maintenance burden

Fewer plugins to break, fewer things to chase down.
